calcium in a plant matrix ✓

a spectrum of 72  
trace elements ✓

unique bioactive  
microporous structure ✓

lower input compared  
with Ca citrate ✓

useable in all  
formulation types ✓

phytomin®  
plant based vitamins & minerals

## Why choose Phytomin Ca<sup>TM</sup>

Available as an ultrafine powder for beverage/drink mix or food use, a fine powder for encapsulation, or as a direct-compressible grade for tablets. Phytomin Ca<sup>TM</sup> is a plant-based alternative for calcium supplementation, that is sustainably wild-harvested, vegetarian, vegan and non-GMO.

### Calcium from plants, not rocks
